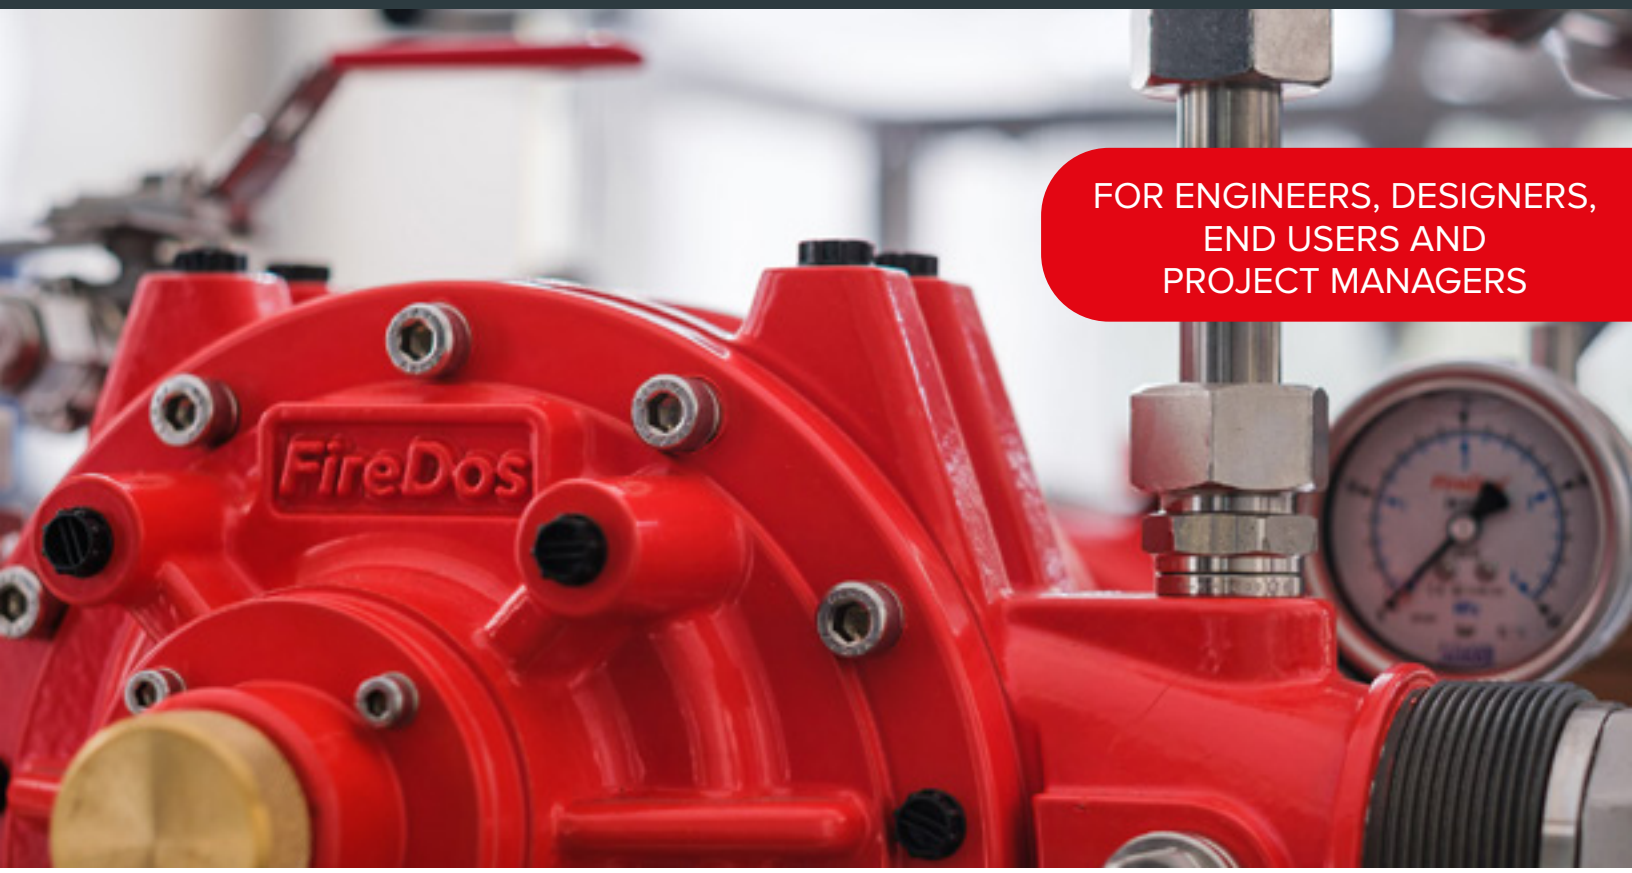
FireDos®



FOR ENGINEERS, DESIGNERS, END USERS AND PROJECT MANAGERS

FIREDOS TECHNICAL SESSION
RESPONSIBLE FOAM PROPORTIONING

With the evolving need for environmentally-conscious foam proportioning equipment, learn about FireDos proportioners‘ design and operating principles and system requirements when specifying them in your customer‘s special hazards applications.

Additionally, attend a live demonstration of FireDos proportioners to get a hands-on experience for their place in the proportioning technology landscape.
